9/27/01AMENDMENT

Dear Sir:

In response to the Office Action mailed June 7, 2001, please amend the above identified application as follows.

IN THE CLAIMS

✓ Please cancel claim 15, without prejudice or disclaimer.

Please rewrite claims 14, 16-18, 24 and 25 as set forth below in clean form.

Additionally, in accordance with 37 CFR 1.121(c)(1)(ii), amended claims 14, 16-18, 24 and 25 are set forth in a marked up version in the pages attached to this amendment.

C' 14. (Twice Amended) A motor-driven pump unit for antilock brake systems of motor vehicles comprising:

an electric motor that is arranged on one side of a pump unit and fastened thereto,
an electronic unit that is arranged on another side of the pump unit and fastened thereto,

at least one carbon brush mounted in an axially movable manner within a guide element; and
